REPORT TO STAVERTON ANNUAL PARISH MEETING

APRIL 28TH 2023

The Staverton Education Foundation (formally known as the Baker Burbidge Charity), exists to give Grant support to children and students who live in the village and attend or have attended Staverton School. Applicants need to be under the age of 25.

It also supports Staverton School, most recently supporting the school in the purchase of bibles for school leavers.

Money to support the Foundation comes from the rent of a piece of farmland on the edge of the village, and various investments. The rent is regularly reviewed in accordance with market values.

The Trustees are pleased to welcome Sandra Lowe as a Trustee this year, she takes the place of Rupert Frost as representative of the Parochial Church Council.

The meetings are held in the village every three months and grant requests can be submitted to any Trustee or the secretary at any time, and will be considered at the next meeting. Most requests are for help with expenses in Further Education.

There have been 7 individual requests for grants in the year ending 31st December 2022. The total of grants awarded was £3345.20.

A copy of the accounts for year ending 12/22 will be filed with this report.
