SEF Charity Report-Annual Parish Meeting - 25th April2024

The Staverton Education Foundation, or by its working title the Baker Burbidge Charity has this year made a total of EIGHT grants amounting to £3,007 25p. This equates to TW0 grants to the Village School and SIX grants to individual ex pupils of the school to assist with their further education.

We will continue to support all beneficiaries where request of support are submitted ti the trust and whilst our available funds permit.

I would like to take this opportunity the thank Mrs. Gwen Proudlock who has stood down as our secretary after FOURTEEN years of service. Consequently, we are in search of a replacement who has the interest of the Parish at heart.

I present the accounts for the year ending 2023 to the Parish.
