Annual Parish Meeting Report-2026

Staverton Education Foundation is a Parochial Charity for the benefit of the education and further education of Parish Children who are attending or who have attended at Staverton School and are under the age of 25 years old.

Last year the Charity' income of £4,295.46p was derived from rental of its land and investments.

By comparison, the Charity paid £4,473.05p by way of 10 individual grants for further education and 1 Grant direct to the School.

The trustees are volunteer's who are appointed by the Church, the Parish Council and WNC Education.

Likewise, I have been asked to mention that we have a vacancy for a Secretary to assist the trustees in their work. As with the trustees the position is unpaid, although it might be considered useful to someone of a helpful disposition.

I am happy to answer any questions.

Thank you.
